

**REMARKS**

It has been recognized that an incorrect First Preliminary Amendment was filed and the purpose of this paper is to cancel the claims presented therein and substitute the original claims of this case with amendments to correct grammar and obvious errors, to eliminate multidependency, and to “Americanize” those claims. No new matter has been added and the claim scope has not been lessened.

In view of the above amendment, applicants believe the pending application is in condition for allowance.

Dated: March 6, 2007

Respectfully submitted,
